**QUESTIONS AND ANSWERS
AT THE ANNUAL GENERAL MEETING HELD ON 24 APRIL 2023**

**RESOLUTION 1: ORDINARY RESOLUTION
ADOPTION OF THE REPORT OF THE TRUSTEE, THE STATEMENT BY THE MANAGER
AND THE AUDITED FINANCIAL STATEMENTS OF PARKWAY LIFE REIT FOR THE
FINANCIAL YEAR ENDED 31 DECEMBER 2022 TOGETHER WITH THE AUDITORS'
REPORT THEREON**

1. Unitholder A shared that he was delighted to attend the Annual General Meeting (“AGM”) in person after a 3-year pause due to the Covid-19 pandemic.

Unitholder A enquired on when IHH Healthcare Berhad (“IHH”) plans to divest Mount Elizabeth Novena Hospital (“MENH”) to Parkway Life Real Estate Investment Trust (“PLife REIT”). Unitholder A commented that with the right of first refusal (“ROFR”) of ten years over the MENH granted to PLife REIT, there is probably some intention for IHH to divest the property. Unitholder A viewed that there is really no “right time” to divest MENH and delaying the sale of property to PLife REIT could result in opportunity cost loss for the REIT. Unitholder A also commended the management team of the Manager and expressed wish for major initiatives such as the acquisition of MENH and capital or equity fund raising (“EFR”) to take place under this leadership given its proven track record. Unitholder A further commented that there could be potential requirements for funding e.g. possible upgrading of Gleneagles Hospital etc., which will result in a strain on gearing. The lack of EFR would constrain the growth of PLife REIT and limit its ability to take on large scale projects in the mid to long-term and Unitholder A sought to understand more on PLife REIT’s growth strategy.

In response to Unitholder A, Mr. Yong Yean Chau, the Executive Director and Chief Executive Officer of the Manager, commented that the sale of the MENH would be subject to the strategy, readiness and decision of the REIT sponsor and the sale of MENH must be a win-win proposition for both the REIT sponsor and PLife REIT. Mr. Yong added that the present key priority for PLife REIT is to work together with the REIT sponsor to ensure the successful execution and completion of the major upgrading works at Mount Elizabeth Hospital i.e. Project Renaissance. The success of Project Renaissance would be a catalyst for more collaborative opportunities with the REIT sponsor moving forward.

Mr. Yong also shared with the Meeting that as part of PLife REIT’s growth strategy, the Manager will continue to strengthen its existing markets. For Japan, leveraging on the REIT’s strong network for expansion, this core market will continue to provide the baseline growth for PLife REIT. Concurrently, PLife REIT is also working on building a third key market beyond Singapore and Japan for portfolio and geographical diversification as we seek to enhance the growth for PLife REIT in the mid to long term.

In addressing the query on EFR, Mr. Yong shared that PLife REIT had not raised any EFR since listed as the Manager would want to ensure that the EFR creates value to the unitholders and PLife REIT will only raise EFR when there are opportunities to invest into quality assets that create value to its unitholders.

Mr. Sim Heng Joo Joe clarified to Unitholder A the ROFR over the MENH signified a collaboration between the REIT sponsor and PLife REIT. Mr. Sim also replied that it is not appropriate for him to comment on the sale of the MENH behalf of IHH at this Meeting.
